PROFILE

Self-driven Frontend Web Developer with hands-on experience in HTML, CSS, JavaScript, and React. Focused on building responsive, scalable, and performance-optimized interfaces with Git. Problem-solver who enjoys learning new tools and collaborating to deliver quality products.

EXPERIENCE

Frontend developer intern

20th sep - 20th oct
2026

Frontend Web Intern at CodeAlpha — Built responsive websites with HTML, CSS & JavaScript, managed code with Git/GitHub and delivered projects on time.

Self-taught Frontend Developer

june-sep 2026

Self-taught Frontend Developer — Learned HTML, CSS, and JavaScript independently through hands-on projects, building responsive websites and strengthening problem-solving, debugging, and continuous learning skills. I used Youtube tutorials, w3 schools, CS50 and ASAP FRONETEND
